RE: NYS PTA Jenkins Memorial Scholarship for Teacher Education

Dear Principal / Guidance Counselor:

Each year, the New York State PTA awards \$3000 scholarships to students from the graduating class who exhibit the potential to be outstanding classroom teachers. We ask that you inform the senior class of the availability of the **Jenkins Memorial Scholarship for Teacher Education**. We have enclosed a flyer announcing the scholarship for you to post.

Your support of the New York State PTA Jenkins Memorial Scholarship Program for Teacher Education and assistance in availing your students of this opportunity is very much appreciated. The time and effort you put forth to select the most qualified candidates from your school helps great students become great teachers.

The application is available on the New York State PTA website at <https://nyspta.org/home/pta-leaders/awards-and-recognitions/jenkins-scholarship/>. The completed application must be sent to the New York State PTA office, post-marked, not metered, by **December 15, 2018** to be considered. Please follow **ALL** instructions in the application.

Each high school **MUST** be a PTA/PTSA in good standing in order to submit applications and may **ONLY** submit TWO (2) applications.

Please make sure that your applicants carefully follow **ALL** directions. There are to be **NO** attachments to the application other than the high school transcript.

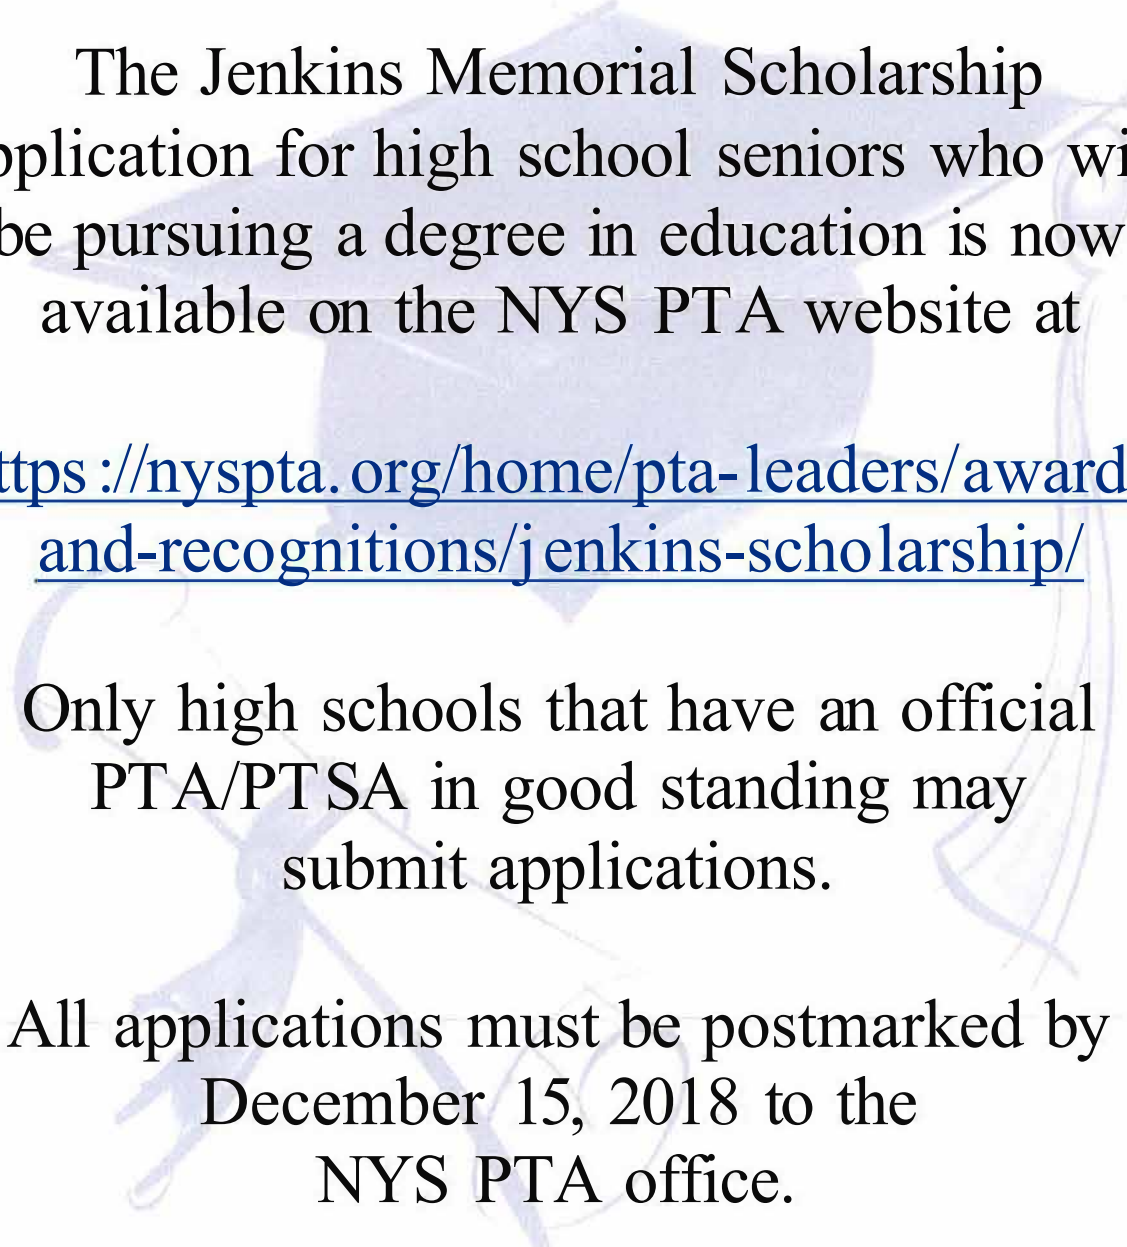

We look forward to your participation in this program that fosters student growth through education.

Sincerely,
