For Cancellation's Only	631-434-2532

Please be advised that the District is transitioning to the AESOP Substitute Placement and Absence Management System for the upcoming school year. This is a web-based, automated service designed to replace our current method of reporting absences and obtaining sub coverage. All employee groups who have been contacting the substitute callers will now be required to use AESOP. These groups include: Teachers, Clericals, Teacher Assistants, School Monitors, Health Monitors and Nurses. All other groups are to continue reporting their absences in the same manner as in the past.
