March 22, 2017

Dear Staff, Parents, & Students:

We have utilized three snow days this year. A review of the calendar requires us to be in regular session on **Friday, May 26, 2017 and Tuesday, May 30, 2017**. These two days are before and after Memorial Day. I am providing you with early notification so you may plan accordingly.

In addition, **Wednesday June 21, 2017** which was originally scheduled as Superintendent's Conference Day is now a regular attendance day for students in the Elementary schools since the secondary buildings are following the Regents schedule. **Thursday, June 22, 2017 and Friday June 23, 2017** will also be half day regular attendance for elementary students. The Superintendent's Conference Day will be held on, two half days, **Thursday, June 22, 2017 and Friday, June 23, 2017**.

We are hoping that the snow event is over and so will not have to use another snow day. If this were to occur additional adjustments will have to be made to the calendar.

Thank you for your cooperation and understanding.

Sincerely,

Levi McIntyre,
Superintendent of Schools
